

### **NO WAY! THERE'S A COUPON FOR THAT?**

Experienced online shoppers know to look for promotional codes and coupons for major retailers like Target, Macy's and JC Penny. But, truly savvy shoppers know that saving doesn't have to end there. If you know where to look, you can avoid paying full price on just about anything. On free coupon site, PromotionalCodes.com, you can find coupons on services and products that you would never imagine to look for.

Here is a top ten list of some of the most unexpected deals you don't want to miss out on:

1. Babysitting services, tutors, pet-sitters and caregivers are easy to find at websites like Care.com. The site screens applicants and posts local listings so that finding the perfect caregiver is easy.
2. Identity protection is something that everyone needs, but no one wants to pay for. Getting a discount for these services will help you make the right decision to secure your identity and prevent fraud.
3. Educational services is not the most popularly searched topic, but it contains a lot of useful discounts, including offers for advanced writing software, resume advice and \$20 off law school essay editing. Users can even find discounts for online courses and certification programs.
4. Newspaper and magazine subscriptions, it's cheaper than ever to receive your favorite magazine or newspaper at home or at the office. Find discounts on various publications like *USA Today*, *Forbes* and *Wall Street Journal*.
5. Concert and event tickets. Before buying tickets at TicketMaster, search for deals and promotional codes that will save you money on popular concerts and events all across the US.
6. Restaurants and dining out can be enjoyed by all, even the budget conscious. Coupons for Restaurant.com allow you to buy already discounted gift certificates at an even more reduced rate. Now you can eat out and feel guilt-free when you order a second glass of wine.
