*Feel Good & Do Good with Online Coupons & Promotional Codes that Contribute at Check Out*

In tough times like these, supporting your favorite charity may not be a top priority, but finding deals and discounts on items you need is. With a little research, it's possible to find retailers that promise to donate a portion of your purchase to a charitable organization so that you can feel good about spending. But to feel even better, start shopping online at websites like PromotionalCodes.com and CouponWinner.com to find free, online coupons and promotional codes on brands that contribute a share of your sale to a nonprofit organization so you save money while giving back to the community.

Saving money while helping others is easy with a couple of clicks. Check out some of these offers:

- Send a gift that tastes good and *does* good! Receive 10% savings on gourmet gift cakes from Bake Me A Wish! and be pleased knowing that a portion of the sale will go to donating birthday cakes to soldiers stationed overseas. <http://www.promotionalcodes.com/store-codes.aspx?PCMID=1980>
